

Dear Reader,

The [Summit of Engaged Digital Citizenship](#) is approaching and we invite you to join us in Madrid from 15-17 October to explore and discuss digital education policies, test new methodologies in the hands-on workshops, network with peers, learn the latest developments in digital rights and skills! Scroll down for more details!

In this issue, we are excited to share several **upcoming events** in the field of digital education you might find interesting. The [ALL DIGITAL Weeks 2024](#) awareness-raising campaign came to an end and we invite you to check out the campaign report or watch the recording of the closing event, where the national coordinators highlighted the importance of enhancing digital skills for inclusion and empowerment.

Stay tuned for our next newsletter, coming at the of the month, featuring member news and the latest updates from ALL DIGITAL's projects.

Yours sincerely,

ALL DIGITAL team

What's on at ALL DIGITAL

Summit of Engaged Digital Citizenship

The ALL DIGITAL Summit partnered up with the Digital Rights Forum and is organising the joint event titled "[Summit of Engaged Digital Citizenship](#)" on **15-17 October, in Madrid**.

This year the Summit is co-organized by ALL DIGITAL and Fundacion Esplai, and it is supported by Plataforma Red Conecta and the European Commission. Its main objectives are to share and generate knowledge, facilitate networking and building alliances in the fields of digital rights and skills.

The [program](#) is online and we are bringing together experts from all over Europe, such as **Thibaut Kleiner** and **Marta Markowska**, who will deliver keynote speeches, sharing their

knowledge and views on the latest policies and developments in digital rights, education and training. Don't miss your chance to be part of the digital transformation!

Takeaways from the ALL DIGITAL Weeks 2024 campaign

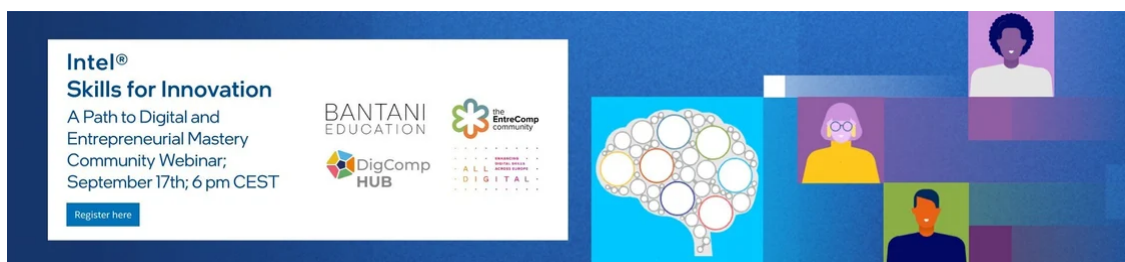

The ALL DIGITAL Weeks awareness-raising campaign concluded on 31 May, successfully reaching **over 50,000 people across Europe**. With the support of our national coordinators, the campaign was effectively promoted and sustained, connecting with local organizations to enhance digital skills.

If you were unable to participate, don't miss the opportunity to catch up on what took place during the campaign. Take a look at the [campaign report](#). We also invite you to [watch the recording](#) of our closing event, where you can hear inspiring stories from our national coordinators and learn about the significant impact of the campaign.

Webinar on Intel® SFI Professional Development Suite

Joint event on Intel® SFI Professional Development Suite's alignment with European key competences frameworks

Join us on **September 17th at 18:00 CEST** for an insightful webinar titled “**Intel® SFI Professional Development: A Path to Digital and Entrepreneurial Mastery**”. This event will showcase the alignment of the Intel® Skills for Innovation Professional Development Suite (SFI PD Suite) with key European competence frameworks, including:

- **DigCompEdu**: Digital Competence of Educators
- **DigComp**: Digital Competence for Citizens
- **EntreCompEdu**: Professional Competence for Entrepreneurial Learning
- **EntreComp**: Entrepreneurship Competence

Experts from ALL DIGITAL and Bantani Education have confirmed that the SFI PD Suite significantly enhances educators' and students' digital and entrepreneurial skills.

Support the "Get Online Week" in UK!

We are happy to endorse Good Things Foundation's annual [digital inclusion campaign](#) which will be held from 14-20 October!

The campaign aims at helping tens of thousands of people get online to start managing their money online, learn about online safety, or gain basic digital skills for employment. Free community events are held across the UK for people to get connected.

Join hundreds of other organisations by hosting an event between October 14-20. [Register your event!](#)

The Creative Skills Week is here!

The [Creative Skills Week 2024](#) will take place from 16 - 20 September 2024 in Amsterdam. Powered by SACCORD and in association with CYANOTYPES. With the support of the City of Amsterdam and EIT Culture & Creativity. Don't miss out on workshops, discussions, networking, and experimental learning activities!
