

The DIGIVID project - Helping teachers to develop their digital skills

Monica Divitini

Department of Information and Computer Science, NTNU
Trondheim, Norway

divitini@ntnu.no

(Coordinator)

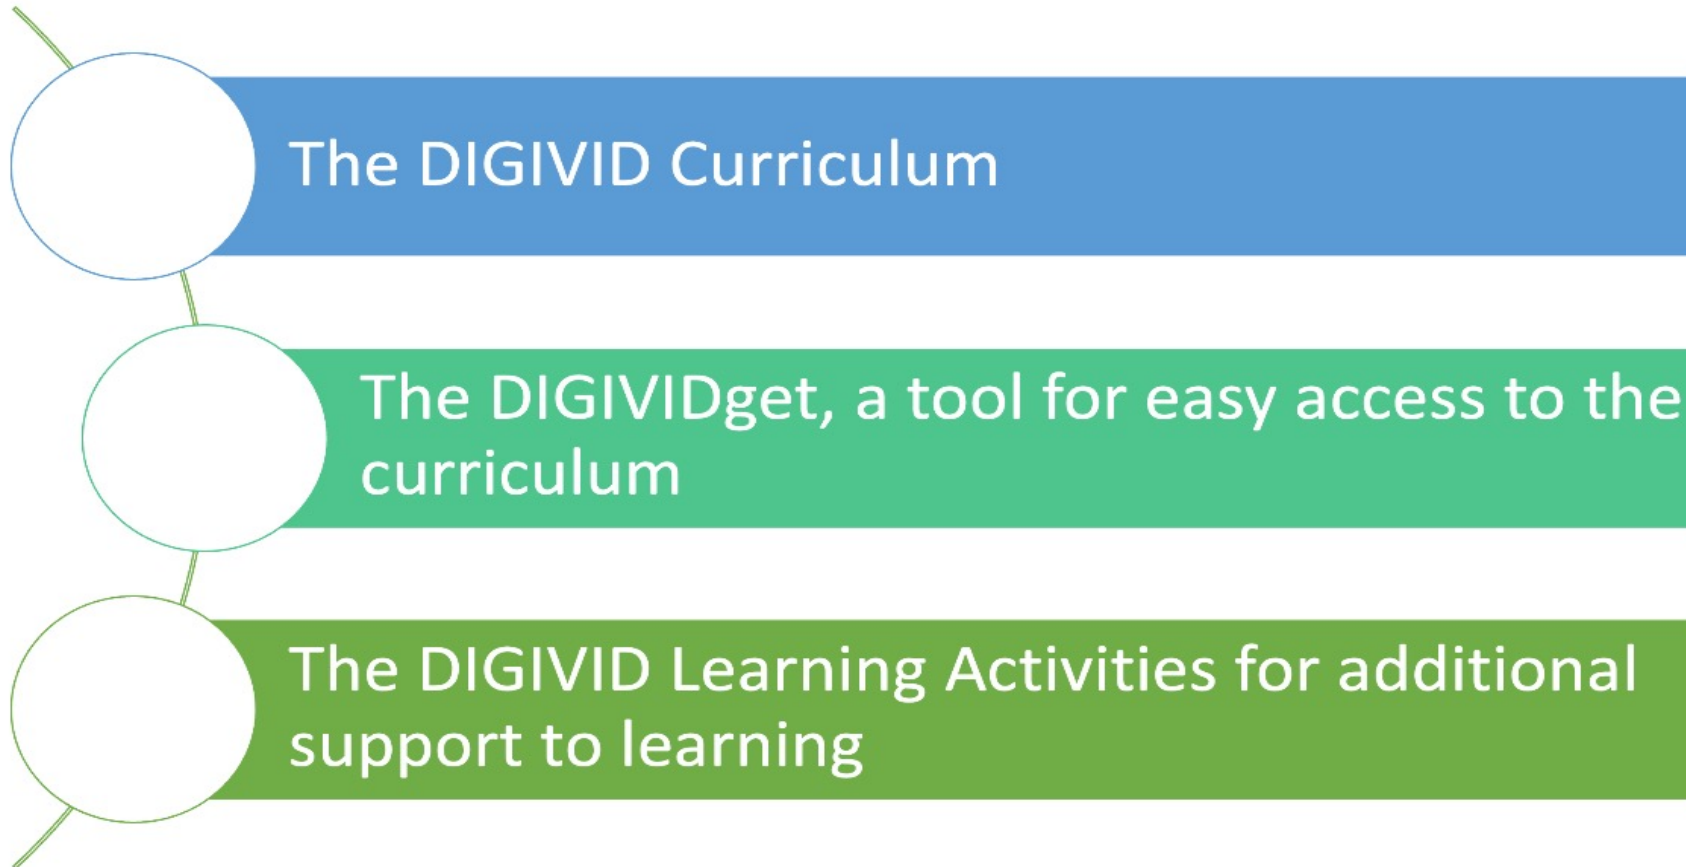

This project has received funding from the European Union's Erasmus Plus programme, grant agreement 2020-1-AT01-KA226-HE-092590.

Co-funded by the
Erasmus+ Programme
of the European Union

DIGIVID main goal

Supporting teachers in schools and universities to develop digital skills to improve their use of technology in education. Achieved through:

The **DIGIVID Curriculum** is based on existing competence frameworks and it is organized around target-oriented learning goals

Module 1: Basic Digital Literacy

Hierarchy of Topics and Learning Goals
